QUAKE/ZONE WITH AN AFTERSHOCK

From their fundraisers of wreath making, the Valentine’s Dinner and the Easter breakfast, six high youth attended Hope’s annual trip to the Quake/Zone regional youth gathering at the Bloomington Hilton Airport hotel.

We left Floodwood with enough time to spend late Friday afternoon at the Mall of America. We each picked a place to eat among the hundreds of places to choose from in the food court. *(Continued on Page 3)*

HLCW MEETING & BIBLE STUDY

May brings us to the end of the Bible study series on “Growing Older and Wiser”. Since there was a guest speaker in April we’ll be looking at 2 lessons - both based on Psalm 71 and titled, “Dealing With Fears” and “Lifelong Trust”. How important is hope to a person’s well-being? What is the relationship between trouble and hope? In what aspects of our lives do we long to experience more peace and confidence in the Lord? We meet on Tuesday, May 10th at 10:00 AM at the church. All women are welcome.

COMMITTEE REPORTS

CHRISTIAN EDUCATION AND YOUTH

April 14, 2016

Minutes of the meeting

The meeting was called to order by the chairman, Jen Myles, as 10:45 am. Six committee members were present.

The Treasurer's Report showed a balance of \$713.28. This balance reflected the \$95.00 from the sale of the pillow cases the youth made, and a profit from the Easter Breakfast of \$383.45.

A motion was made by Susan Coccie that we reimburse Pastor Carl Fiskness \$56.30 for the pizza that he purchased at Quake Zone for the youth. This was seconded by Rob Benson, voted on, and passed.

Pastor Fiskness reported that 2 students had their First Communion on Maundy Thursday, and three more students will have their First Communion on Sunday, May 15. Confirmation is scheduled for May 22.

For the past 2 years, the church council has held a garage sale at the church during Fall Fest, which is held the 3rd Saturday in September. The CEY committee was asked if they might want to sponsor this event this year, with funds raised going to the Youth Fund. Upon the committee's approval, this will be discussed at the next church council meeting.

The Wednesday Night Homework Help class was discussed, for we are not having the student participation that we had last year.

LuAnn Heikkila stated that some of the youth were meeting at the church on Saturday, April 23, to make pies that they will sell at the Teddy Bear Picnic. They are also asking for other bakery donations from the church members.

In an effort to provide more structure for this committee, it was established that we would meet once a month on the third Sunday of the month. We will also be publishing minutes of the meetings, and sending out agendas for the upcoming meetings one week in advance.

Word from Pastor Carl – (Continued From Page 1)

When the Quake/Zone began in the evening, the attendees were introduced to Jonathan Swenson as the keynote speaker. Swenson is the program director at Mount Carmel Bible Camp near Alexandria, MN. Jodi and I had the chance to witness Swenson a couple of years ago at Zion Lutheran in McGrath. His performance was again very engaging and passionately communicated the Gospel.

A band named Echelon led the high energy music for the worship and the slow campfire songs in the evenings. There was a good blend of familiar and new songs. During the gathering, we watched an inspirational advertisement for the work of Compassion International.

For breakout sessions, Jonathan Swenson led a great youth-oriented session on how to read the Bible. A college student named Paul Johnson, who visited Hope over a year ago on a Captive Free team, led another interesting study on 2 Corinthians 12:8-9. A particularly popular workshop for our young folks was filling bags of food to send to famine stricken places. This program was titled, "Feed the Need."

While not seeking to feed others, we brought coolers with for breakfast and sandwiches for lunch in our hotel rooms and ordered Pizza Hut for supper on Saturday evening.

There were a few more opportunities for less structured activities including a crazy dress costume dance and competition, swimming in the pool and the students becoming acquainted with young people from other churches. Lisbon, North Dakota sent so many youth that their group travelled to the event in a rented coach bus.

I thought that it was strange that during that weekend, there was not any mention of this being the last Quake/Zone since their website clearly indicated that Youth Encounter is "closing its doors." But now I realize why nothing was said up front.

It was announced later on April 22 that for the near future, the Quake/Zone tradition will continue. In ceasing operations, the Youth Encounter board has reached an agreement with another ministry named Life Promotions. The president of Life Promotions is a man named Bob Lenz who is a familiar face to Youth Encounter. Last year, Lenz was the keynote speaker at the Minneapolis Quake/Zone and also did a great job communicating and connecting with the youth.

Two Youth Encounter professional personnel will join Life Promotions to take up this expansion of their ministry. Life Promotion is seeking to raise \$50,000 to expand its ministry to include facilitating the Quake/Zones. This new inclusion to their ministry portfolio is added to their other programs including LifeFest, a Christian rock festival in Oshkosh, Wisconsin which attracts an audience of 20,000 people each summer.

While it is still sad to witness the Captive Free travelling teams become a memory, it is encouraging to know that the regional gatherings will continue as a great opportunity for the young people of our congregations to pray and play together with others and be encouraged in their Christian faith.

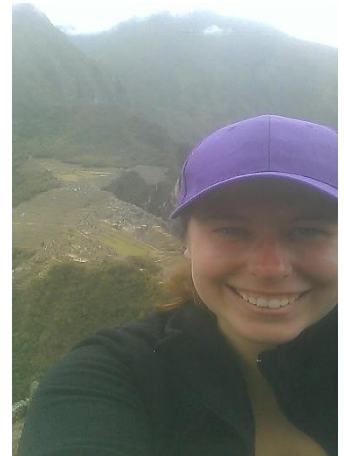

WHERE ARE THEY NOW?

Featuring Abby Johnsen

Abby is on an interesting life journey. She has a career field that offers varied work options, she is becoming an experienced world traveler and she will gladly put on hiking boots to climb a mountain or two to see what's there.

Abby graduated from Bethel University attaining her Bachelors of Science in Nursing degree in 2012. Prior to graduation, she had an opportunity to go to Uganda for a month with a nursing study abroad class. This gave her a chance to learn what health care is like in another country and also became the incentive to explore other cultures in the world.

Upon graduation from Bethel, she became a hospital nurse at Essentia Health-St. Mary's in Duluth. One year later, friends invited her to accompany them to New Zealand for three months; the invitation was perfectly timed. They traveled throughout the North and South Islands by bus and visited with many interesting people from all different places as well as viewing the amazing scenery.

Returning from New Zealand, Abby moved to the Twin Cities and worked at North Memorial Medical Center in Robbinsdale, MN. When the next travel opportunity arose, she reduced her hours to "casual" status, started looking at other employment options in the nursing field and continued to expand her world interest by going to Peru for three weeks. Climbing Machu Picchu was impressive. It was a four-day trek to get there!

Currently Abby is working with Blue Cross Blue Shield as a medical chart auditor. The Twin Cities not only have a multitude of parks and places to explore, with Minnehaha Falls being one of her favorites, but it is really convenient to get to the airport. Her next adventure will be traveling with her family to Costa Rica to visit Molly and explore Latin American culture.

Abby's itinerary is just beginning. God will continue to guide her experiences until His final plan is revealed. Our prayer is from Psalm 121:7-8 *"The Lord will protect you from all danger; he will keep you safe. He will protect you as you come and go now and forever."* Amen!

HLCW MEETING APRIL 12, 2016

The April meeting began with a video presentation by Tricia Mattson RN, of Duluth, whose personal mission is to travel to Haiti several times a year to bring medicines, and other items to Haitian families whose country has not returned to normal since the earthquake of several years ago. Our contribution was a collection of ball caps and sunglasses which she brought on a recent return journey to Lacombe, Haiti. Following the presentation, was a lively question and answer period. Mattson thanked our group for our support and asked us to keep the Haitian people in our thoughts and prayers.

A short business meeting was held about 11:30 a.m. Following the hour and a half presentation. President Grace Autio opened the meeting with a prayer, and said that the main business of the day is the upcoming Teddy Bear Picnic, youth campership fundraiser April 24th. Laverne's Mary Circle is in charge, and Kathy and Mark Johnsen have contributed 5 lbs. of hamburger to make sloppy joes. It was decided to make the sauce in our own kitchen instead of several people making it at home.

Jeanette Johnsen's treasurer's report showed a checking balance of \$130.00, savings of \$665.00 and available funds of \$428.65. ***(Continued on Page 6)***

(Continued From Page 5) HLCW Meeting Minutes

The minutes of the March meeting having been previously published in the Beacon, were not read at this meeting.

It was noted that we have \$329.90 designated for camperships, and council member Elvi Tollgaard was asked to see if the church council has an interest in adding support to the campership fund.

Finally, Grace reported that LuAnn Heikkila and Hazel Bailey, with the help of some of the youths, plan to make pies the Saturday preceding the Teddy Bear Picnic to sell that day as a fundraiser.

The meeting adjourned at 11:50 a.m. The members were asked to study the final two Bible studies for the May meeting.

Trinity Summer Camps 2015
Camp Patmos, Hackensack, MN

WELCOME TO CAMP PATMOS! More than any other ministry the church offers, summer camp changes lives! When students come to Camp Patmos, they are coming to a place where they can have fun, enjoy the outdoors, be themselves, develop new relationships, and learn to develop a thriving relationship with Jesus as they are encouraged by an amazing Christ-centered volunteer staff. Get ready for a week that can change your life!

Safe, Fun, Christ-Centered. It is our goal that every camper who attends our camp grows deeper in their relationship with God. We believe that this happens best in an environment that is safe, fun, and Christ-centered.

Safe: Adults, who have been screened and trained to provide a safe place for growth, staff our camps.

Fun: Our camps are fun filled. Games and outdoor activities fill the daily schedule.

Christ-Centered: Our camps seek to point students towards a living relationship with Christ. This is done through powerful chapel sessions, time alone with God, and in small groups.

Theme: Greater John 3:30, "He must become greater; I must become less." This short and powerful statement were spoken by John the Baptist in regard to Jesus. As he spoke these words he was declaring that Jesus must become greater than all other things. This year at camp we will all be exploring the ways Jesus can be made greater in our lives. We are excited to be encouraged and challenged as we explore this theme! We hope you join us.

LORD CREATED MOTHERS

By Doris Fitzgerald
(Submitted by Dinah Tveit)

When the Lord was creating Mothers, He was into his 6th day of "overtime" when the angel appeared and said, "You're doing a lot of fiddling around on this one."

And the Lord said, "Have you read the spec on this order?" 1) She has to be completely washable, but not plastic, 2) Have 180 movable parts, all replaceable, 3) Run on black coffee and leftovers. 4) Have a lap that disappears when she stands up. 5) A kiss that can cure anything from a broken leg to a disappointed love affair. 6) And 6 pairs of hands."

The angel shook her head slowly and said, "Six pairs of hands ...no way,"

"It's not the hands that are causing the problems," said the Lord. "It's the three pairs of eyes that Mothers have to have."

"That's on the standard model?" asked the angel.

The Lord nodded. "One pair that sees through closed doors when she asks, 'What are you kids doing in there?' when she already knows. Another here in the back of her head that sees what she shouldn't but what she has to know, and of course the ones here in front so that she can look at a child when he goofs and say, 'I understand and I love you' without so much as uttering a word."

"Lord," said the angel touching His sleeve gently, "come to bed. Tomorrow "

"I can't," said the Lord, "I'm too close to creating something so close to myself. Already I have one who heals herself when she is sick, can feed a family of 6 on 1 pound of hamburger, and can get a 9 year old to stand under a shower."

The angel circled the model of a Mother very slowly. "It's too soft," she sighed.

"But tough!" said the Lord, excitedly. "You cannot imagine what this mother can do or endure."

"Can it think?"

"Not only think, but it can reason and compromise," said the Creator.

Finally, the angel bent over and ran her finger across the cheek. "There's a leak," she pronounced. "I told You, You were trying to put too much into this model."

"It's not a leak" said the Lord. "It's a tear."

"What's it for?"

"It's for sadness, disappointment, pain, loneliness and pride."

"You are a genius!" said the angel.

The Lord looked somber, "I didn't put it there."
