Pastor's Corner

Greetings brothers and sisters in Christ. I can hardly believe October is here. The change of fall colors was spectacular. It is great evidence that God is at work. How can we join Him in his Kingdom work?

I hope many of you were able to participate in the Floodwood Prayer March for our country and our Community calling for a Return to God and His ways. The Bible warns of shakings and judgements that will follow a land who turns away from God. We have had evidence of this in our lifetime with the events of 9 - 11. We have seen financial down turns. We have seen unusual weather- related events. Now we are seeing plagues such as COVID-19. We are seeing political unrest and breakdown of law and order by a nation who has turned from its Christian roots and is headed for disaster if it we don't repent and change our ways. We all need to pray daily for repentance and revival in America if God is to spare us the judgement, we deserve for the ways we are now living in this country.

Other ways we can get involved in God's Kingdom is to attend the Goliath Must Fall Bible study on Sunday mornings after church. We all have giants in our lives that prevent us from living the lives God planned for us. Come and learn what God has done so that we can deal with these giants in our lives that have diminished our ability to live the full life God has ordained for each of us. Maybe you recognize some of these giants: fear, anxiety, rejection, being too comfortable, and addiction to name a few. *(Continued on Page 4)*

YOUTH AND FAMILY

Youth and Family Committee met on September 19th to discuss some Youth issues. Sunday School and Release Time was the main focus; it was decided to start Sunday School on October 4th. There was a lot of discussion on how to conduct Sunday School to keep it safe and a good learning experience for the kids. We do need the help of everyone to get the word out to all Sunday School kids, on the starting date.

Release Time is set to start September 30th, during school hours. Everything is in place and hope to have a good year.

We always need teachers and helpers for both Sunday School and Release Time. The committee tossed around a lot of ideas for the coming year, and as these things are put into place we will get the word out.

Next Youth meeting is scheduled for October 14th at 6:00 PM at the Church. Everyone is welcome to join in!!!!

*Dear Brothers and Sisters at Hope Lutheran Church, Floodwood, MN
We praise God for he is in control of his world even during this time of Covid-19 and nothing can separate us from the love of Christ (Romans 8:35). Based on Psalm 46 we pray that God would be your refuge and strength and ever-present help for you. Take heart for our Lord Jesus Christ has overcome the world (John 16:33). We give praise and glory to God for you because he has called us to be together in Christ, Prayer and global Mission. May the Holy Spirit lead and guide us all. Amen*

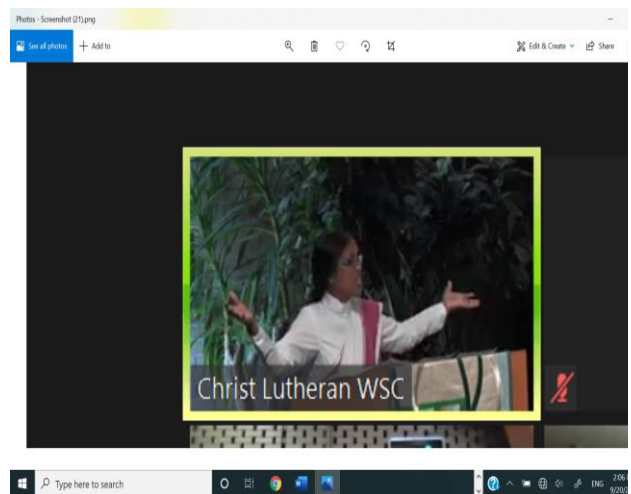

As with many of you, Zoom has become the medium of mission and ministry for us. We teach students, mentor a group of young leaders and organize meetings with ministry partners.

Our students were part of “Neighborhood Kitchen” ministry to feed migrant workers as they returned to their village after India relaxed lock down. Please read this story in attached doc.

Urbas our second child graduated from Highschool. We waited to see if we could celebrate his graduation but due to Covid it was not possible. He just started in UofMN and is living in the dorm.

We are grateful for the opportunity to preach through zoom during this time. It is interesting to preach on Saturday night for Sunday worship service in India (we are 10 ½ hour behind). Even during this time we were able to visit one church where we shared about global mission with social distancing. Along with our colleagues both of us host Ask for the Nation prayer event twice a month. We invite you to join us in this online prayer for God’s mission.

This model of prayer is Spirit led, Scripture fed and worship based with five different movements that include Reverence (Who is God?); Response (How should I respond? Confession and Absolution); Request (Intercession on behalf of the Korwa people; Standing in the Gap for Korwa people); Readiness (What should I do for further engagement in this regard and Doxology (Reverence). For each movement there would be teaching for a few minutes followed by small group prayer keeping the same focus. Please let us know if you would like to join in this event we will send you the link.

Prayer Points:

- Praise God for God's provision and new ways to do mission and ministry during this uncertain time.
- Praise God for many prayer partners upholding us and God's mission during this time.
- Praise God for Urbas' high school graduation and college admission.
- Pray for the students in Ranchi who are doing online classes in spite of many challenges. Pray that they will bring hope and encouragement to their communities as they are also engaged in ministry.
- Pray for WMPL global workers as many of them are discerning God's will to return to their country of service.
- Pray for WMPL Annual Day of Prayer that many would be able to register and join to pray for Korwa people.
- Pray for us that we would be guided by the Holy Spirit as we mentor about a dozen young leaders through zoom.
- Pray for Urbas as he is adjusting to campus life during this time and also for Maani in St.Olaf , Puna and Jhumpa as they are continuing their classes online.

We are grateful to you for your prayers and financial support. We remain together in Christ, Prayer and Global Mission.

IN THE NAME OF JESUS... Neeraj and Nijhar Ekka, USA & India

During the COVID-19 pandemic, like many other countries when India suddenly imposed nationwide lockdown, this country with a population of 1.3 billion people came to a screeching halt. Millions of people were stranded in many places. Among the worst affected were migrant workers, who suddenly found themselves robbed of their only means of livelihood. For weeks they survived somehow, and when the lockdown was relaxed a bit, millions of migrants used any means possible to return to their villages. Many trains and buses arranged by the government were not enough for people returning mainly from big cities in the southern and western parts of India. Thus, some found delivery trucks to get to a certain point, and then they walked. Some rode their bicycles for thousands of miles; many others simply walked day and night for hundreds of miles.

As migrant workers – men, women and children – started pouring into Ranchi, some women in the outskirts of the city were curiously looking at them. These women were members of a local Lutheran church. They saw hungry, thirsty, scared and desperate people and families walking on the highway to their villages. Soon something happened. They felt a surge of compassion and three of them thought of the same thing: providing a meal for these people. When they collected food materials from different homes, they had 13-14 kilos of rice, a few kilos of dal (lentils), and some vegetables. In front of them were hundreds of desperate people walking away hungry and thirsty.

Soon these women started cooking rice, lentils and vegetables. Some students from Ranchi Seminary joined their effort and mobilized prayer and resources for this ministry. Before long, other men, women and young adults from the church and community also came along to be part of this service to the hungry and thirsty in the name of Jesus Christ. Seeing this selfless service, the government officials invited the group to go to bus stands and railway stations to provide food for the migrant workers. Though the government was providing dry food such as bread, buns (a kind of fluffy bread), and fruits like bananas, etc., not all of the migrant workers received them. Since these people had not eaten a hot meal for weeks, they were overwhelmed to receive hot rice, dal and vegetables. Not only did these servants of Christ provide hot meals, they also helped to arrange transportation for many.

The Neighborhood Kitchen for migrant workers continued for 12 days. During this time the group received enough donations from ordinary believers, and even from non-believers, to provide hot meals and safe drinking water to more than 15,000 migrant workers. In addition, they also packed food for their onward journey. They also distributed several hundred masks, soaps and sanitary napkins.

While they served they remembered what Jesus said in Matthew 25:35, “When I was hungry you gave me food, and when I was thirsty you gave me water...” and they felt blessed to be part of the ministry of the Neighborhood Kitchen.

This ministry was covered with prayer from beginning to end. We also had opportunities at the Prayer League to join them in prayer. We praise God for, as one leader of this ministry said, “God’s Church has left the building to come to the people in the street.”

Another way to become active in the Kingdom is to attend church regularly. God is with us. Do not be afraid. Consider helping teach Religious Release or Sunday School. You have so much you can teach our youth. You can become a prayer warrior for others.

God is in control and calling us each to be a disciple. Let us disciple one another and help each other to be the person God created for the times in which we are living. The year 2020 is an exciting time to be alive.

Praise God and God Bless You,

Pastor John

The **kingdom of heaven** may be **compared** to a **king** who gave a **wedding feast** for his son, and **sent** his **servants** to **call** those who were **invited** to the wedding feast, but they would not come. Again he sent other servants, saying, "Tell those who are invited, 'See, I have **prepared** my **dinner**, my **oxen** and my **fat calves** have been **slaughtered**, and everything is **ready**. Come to the wedding feast.'" But they paid no attention and went off, one to his farm, another to his business, while the rest seized his servants, treated them shamefully, and **killed** them. The king was **angry**, and he sent his **troops** and **destroyed** those **murderers** and **burned** their city. Then he said to his servants, "The wedding feast is ready, but those invited were not **worthy**. Go therefore to the **main roads** and invite to the wedding feast as many as you **find**." And those servants went out into the roads and **gathered** all whom they found, both **bad** and **good**. So the wedding **hall** was **filled** with **guests**.

Then the **Pharisees** went and **plotted** how to **entangle** him in his words.
